

# LOOK WHAT YOU MADE ME DO

## TAYLOR SWIFT

### Verse 1

[Am] I don't like your little [Am] games  
Don't like your titled [Am] stage  
The role you made me [Am] play  
Of the fool, no, I don't like you  
[Am] I don't like your perfect [Am] crime  
How you laugh when you [Am] lie  
You said the gun was [Am] mine  
Isn't cool, no, I don't like you

### Pre-Chorus

[Am] But I got smarter, I got harder in the nick of time  
[G] Honey, I rose up from the dead, I do it all the time  
[F] I've got a list of names and yours is in red underlined  
[E] I check it once, then I check it twice

### Chorus

Ohh, look what you made me do  
Look what you made me do  
Look what you just made me do  
Look what you just made me do  
Ohh, look what you made me do  
Look what you made me do  
Look what you just made me do

### Verse 2

[Am] I don't like your kingdom [Am] keys  
They once belonged to [Am] me  
You asked me for a place [Am] to sleep  
[Am] Locked me out and threw a feast (what?)  
The world goes on, another day, another [Am] drama-drama  
But not for me, not for me, all I think about is [Am] karma  
And then the world moves on but one thing's for [Am] sure  
Maybe I got mine, but you'll all get yours
